Better Spanish Literature editions mean better courses, happier students • Better Academic editions enhance your Spanish Literature career*

*Stockcero*  
CATÁLOGO  
DE  
EDICIONES  
(2024)

## *Online Library*

Aimed primarily at students but that will change the way our books are bought, even by paper loving readers. Through an Access Card you may now read online an exact version of the book of your choice. Not an eBook, or a Kindle version, but the exact same cared layout you will find in our printed editions. An online book that may be bookmarked, highlighted, annotated and that also allows to perform word searches within the text.

## *About us*

Founded in year 2000 and incorporated in Florida, USA, as Stockcero, Inc., Spanish-BookPress.com mission is to support Spanish & Latin American literature and to enhance the role of books as Spanish & Latin American culture vectors in the English speaking countries.

Our books are printed on demand in the US and UK, and distributed worldwide, so once a title is included in our catalogue there is a limitless supply of copies, delivered without delay.
